# M2 International Project Management

2017-2018

SEDI

Master 2 – Semestre 1

---

### Enseignant

Nom	REDZEPAGIC Srdjan
Bureau	ISEM, 328
Téléphone	04 89 15 20 49
Courriel	<a href="mailto:srdjan.redzepagic@unice.fr">srdjan.redzepagic@unice.fr</a>

### Objectifs de l'enseignement

Project Management is a fast-growing and increasingly 'professionalised' discipline with record numbers of practitioners now gaining the main qualification. The formal tools and techniques of project management are being applied in an ever-wider range of industries and organisations. As a mainstream skill, critical to business success, and under closer scrutiny for the benefits it delivers, it's important the students of today – and practitioners of tomorrow – can rely on a comprehensive and contemporary text to support their learning.

### Pré-requis

--

## Plan Sommaire

Making sense of the project context
